## Bericht des Präsidenten

“Stage 3” hat uns fast einen Start ins reguläre Geschäft gebracht, wenn auch noch Regeln zu beachten sind.

Es ist gut zu sehen daß unsere Gäste zurückkommen, so auch einige vom Personal, die für die letzten 6 Monate nicht im Klub beschäftigt werden konnten.

Die Schenke sowie das Patio sind offen von Mittwoch bis Freitag von 11:30 bis 20:00 Uhr, so auch Curbside pickup!

Sommerwetter war gut, doch bei zu hoher Luftfeuchtigkeit haben viele das Haus nicht

verlassen! Der Regen hat das seine dazu getan, unser Rasen ist grün und es blüht alles viel länger als während anderer Sommer! Doch leider war das Patio nicht so gut besucht, wie wir uns das erhofften. Farm und Pool war natürlich bei so schönem Wetter mehr gefragt und benutzt worden!

Oktoberfest wird nicht wie üblich in dem großen Zelt abgehalten! Aber der Vorstand hat beschlossen Oktoberfest in der Halle und Schenke zu feiern.

Wenn das Wetter es zulässt, wird auch das Patio mitbenutzt, mit 2 Sitzungen wird am 1., 2., 8. und 9. Oktober Oktoberfest sein, Unterhaltungsmusik mit Musikband wird Ihnen den Abend gemütlich machen!

Bitte reservieren Sie Ihre Plätze, denn es ist freier Eintritt! Mehr Informationen erhalten Sie aus der Klub Webseite, im Nachrichtenblatt oder Büro!

Der Vorstand wird im September seine Sitzungen wieder im Klub abhalten! Weitere Veranstaltungen sind zur Zeit nicht geplant, doch wir hoffen, daß im Herbst die Gruppen wieder ihre Zusammenkünfte im Klub haben können.

Änderungen werden Ihnen zukommen, durch Webseite und Nachrichtenblatt, oder durch das Büro!

Die Farm ist in bestem Zustand und Danke an alle Helfer!

In der Hoffnung, bald mit der Concordia Familie im Klub zu sein, beachten Sie die Regeln. „stay safe - stay healthy“!

## ***President's Report***

Stage 3 of the reopening of Ontario has allowed us to start the process of getting back to our regular business practices. We were able to open the restaurant for in person dining as well as entertain guests in the main hall. These openings have had certain restrictions applied to them but it is nice to see that we are progressing to a new normal. It was very nice for us to not only welcome our regular customers back but to also welcome back some of our staff that have not worked at the club in 6 or more months. We would welcome all of you to stop by and enjoy a drink or dinner on the patio, by the new ceremony on site patio or in the restaurant. If you are still hesitant about dining at a restaurant we will continue to offer curbside pickup. All of these options can be

enjoyed from Wednesday until Friday from 11:30 a.m. until 8 p.m.

Mother Nature must have a touch of Covid 19 as we have been blessed with some very unpredictable weather this summer. The humid weather has kept many people in their houses as some days it makes doing anything outside unbearable. The rain has beautified our lawns and gardens, allowing them to bloom and flourish for much longer than most summers. The negative impact for the club is that people are not frequenting the patio as much as we had anticipated. The sunny days has allowed many of our club members to enjoy the farm and the pool.

The sign of the end of summer will not grace our property, as we will once again celebrate Oktoberfest without the large tent. We will have Oktoberfest in the main hall, Schenke and weather permitting the patio. We will have bands playing in the building for your dining pleasure and will have 2 sittings each night in both locations. We will run these celebrations on October 1st, 2nd, 8th and 9th. These events will be FREE to attend but we ask that you make a reservation to ensure that you can be accommodated as there will be capacity restrictions due to the Covid 19 reopening guidelines.

The board has continued to meet on line via Zoom but is looking at the option of moving back into the club for our meetings starting in September. We will allow the groups to have in person seated meetings that must follow all of the rules from mask wearing to social distancing. At this time we will not allow any other activities to be done within the club especially any that involve close contact. We will continue to monitor the

spread of the virus and use the local health unit as a guide to when we can allow these events to commence again. We are hoping that we will be able to allow the groups to return to their home later this fall.

Due to the longevity of the Coronavirus having been here and the uncertainty of the new strains and their effects we do not have any events planned for the remainder of this year. The board is always discussing the possibilities and has plans in place to have the events but we need to be mindful of the health and safety of our members and the staff. If there are any changes we will communicate this through our social media channels and the bulletin.

The farm has been able to welcome even more new campers. They have had a successful fishing derby and socially distanced bingo day. The spirit of many of the new campers has enabled us to do even more cleanup than last year and I can tell you that this is the best that the farm has ever looked. Thank you to all of the members that have helped to polish this gem back to a gleaming diamond.

Here's to the day when we can once again return to the Concordia Club and enjoy all of the activities that our "family" has enjoyed for many years. Please continue to stay safe, stay healthy and follow the guidance of the local health unit so that we can bid farewell to this pandemic. We need to continue to get out and exercise not only our bodies, but our minds. Until we meet again.

*Your president,*

*Rob Kerr*

## *From the Manager's Desk*

I hope that everyone had a wonderful Summer! Hopefully the beautiful weather will continue into the Fall

so that we can continue to enjoy patio dining! Even though we have been on reduced hours of operation, the Patio and Schenke have been very busy for the Summer. Our curbside pick up continues to also keep the kitchen very busy. Thank you to all that have come to the club for lunch and dinner! Your support is so greatly appreciated!

We are currently advertising for Schenke servers and kitchen staff. With the layoffs due to COVID 19, so many of our staff that were with us beforehand have decided to not return. Some have moved out of province while others have found alternate employment. The hospitality industry, province wide, has suffered greatly throughout this pandemic and are all struggling to secure staff. If you know of anyone that is currently looking for work in the industry, please provide them with my contact information here at the club. My email address is ruth.rajna@concordiaclub.ca or by phone at 519-745-5617 ext. 101.

### **Oktoberfest**

Oktoberfest will look very similar to last year's event. We will again have two seatings over the two weekends that Oktoberfest will be happening. This year we will be including the Main Hall for reservations as

well since we are currently permitted to allow 50% of capacity for each room under the Reopening of Ontario restrictions. Last year we were only allowed to have 50 guests regardless of the size of the space. Live entertainment will again be part of the Oktoberfest experience but unfortunately still no dancing. ***Please see the flyer in this month's issue of the bulletin for details.***

Please continue to monitor our website and facebook pages for any updates on our hours of operation and upcoming curbside features.

*Until next month,  
Ruth*

*Hello Concordia family and Friends,*

As we head into September we look forward to hopefully holding our regular meetings at the club. The group has had a long hiatus and are wishing to start the 55th season differently as our uncelebrated 54th season.

Here's hoping the warm weather hangs on a little longer into September.

The Narrenzunft members wish everyone a wonderful month.

Finally, our small but mighty group of bowlers from this past season were able to get together on August 7th for a BBQ picnic at the Farm. Mother nature was definitely on our side that day because it was calling for thunder showers and it turned out to be sunny and hot. Here are a few pics for you to enjoy!

*Until next time,

## Ladies Group

Summer is almost over and hopefully we will still have lots of nice weather. We have not seen most of our ladies since last year at our picnic, so once again on August 18; we will have our annual Ladies Group picnic. Ingrid & Manfred Fischer have once again invited us to have our picnic at their home. Since we are all double vaccinated we should all be safe to have a good time.

Hopefully we will be able to have a Christmas bazaar this year. It would be so wonderful to have one.

I would like to remind everyone that the club restaurant is open and it would be nice to support our club. All the tables are nicely spaced so that you are seated far from anyone else.

The recipe below is one that I make all the time. It can be prepared the day before if be needed so you just have to put it in the pan when ready to use. It is one of mine and may husband's favourites.

### ROSEMARY AND GARLIC GRILLED PORK LOIN

It's easy to make last minute but elegant enough for a special occasion.

#### Ingredients

- 1 tbsp Olive oil
- 3 cloves medium finely chopped garlic
- 2 tbsp Rosemary
- ½ tsp table salt
- 1 pinch black pepper

1 whole loin uncooked lean pork tenderloin

#### Instructions

1. Prepare grill for medium-hot, indirect cooking, or preheat oven to 425°F.
2. Mix together oil, garlic, rosemary, salt and pepper, crushing rosemary slightly with a spoon as you mix. Spread mixture over pork, covering entire surface. Wrap the loin tightly in plastic wrap and refrigerate for at least one hour (up to overnight).
3. Remove plastic wrap and place pork on grill. Grill outdoors over indirect heat, turning occasionally, until a meat thermometer measures an internal temperature of 155-160°F, about 25 minutes. Or, indoors, place tenderloin in a shallow roasting pan and roast until internal temperature measured with a meat thermometer reads 155-160°F, about 20 minutes.  
  
(Note: Pork loin can be pink and juicy inside and be fully cooked, but it is important that the temperature be no less than 160°F.)
4. Remove pork from grill or oven and let rest for 10 minutes before slicing.

## Campers

Well hello again, well this past season has been a little better than 2020 and 2022 can only get better. We've had a few socially distanced events and, all considering, they were a great success. Thank you to those that organized them and we look forward to more in the future!

We'd like, once again, to thank the many helpers who go above and beyond to make our farm look great! We truly do appreciate the time and effort (and sweat) that you take! Xo

The Campers Committee got together and counted all the empties that Timmy has been collecting from you through the Spring/Summer. We appreciate that you donate them and drop them off 100% but can we request that you bag them and count them and label them. We have no issues doing if you just don't have the time but it's quicker for us if you can. Muchly appreciated. I think we had as much fun counting them as you all did drinking them. Ok maybe not lol. But we did good! Just under \$600 made for Farm improvements! Well done! Bottoms up!

### **A few housekeeping rules:**

Please keep Golf carts to the roads and parked in parking spots as opposed to on the grass :). Garbage needs to go in the garbage trailer not around it. Taking recycling home helps keep the garbage down. Lights and music need to be turned off when not at your trailer (lights are fine if you are returning that night). Kidlets need to be watched and accompanied to the bathrooms. Showering before getting into the pool and signing the log books are mandato-

ry. Please and Thank You. We appreciate your help in continuing to do this. We are all in this together and we all need to do our part.

Coming up is Halloween ( Sept 11). There will be a prize or 2 for the most decorated trailer site as well as costumes so get decorating and dressing up! Trick or treating will be from 3-5 (if health regulations permit) and 5 o'clock other festivities start. Watch for posts and posters with more details.

A Chilli cook off is planned for September 18 (watch for more on that). Enter for bragging rights of the best chilli! Lots of beans at the farm that day. We'll all be doing the Toot Scootin' Boogie that night! All are welcome to join in the fun!

Candy bar Bingo is on the Sunday of the long weekend (5th) at 2pm. We'll have couple games for the kids and adults just like last time. That was lots of fun!

Again, health regulation permitting.

For the new campers, just wanted you to know that we generally start shutting the pool and things down after Labour Day but the power will stay on for a bit. Usually shut off is the last Sunday in October. Still lots of trailer days left!! No worries.

Any questions, comments and concerns can be directed to Mike, Steve and The Campers Committee (where we pass them on to Mike, if need be) so please, if you have any, let us know! We will help where we can.

A BIG thank you to our departing Campers committee members. Your time and help you have given us along the way was very much appreciated and wish you luck in your future endeavours.

Have a great, happy and healthy rest of your summer.

*Michelle and The Campers Committee*

## Treffpunkt

What a BEAUTIFUL summer we have had! With the world around us beginning to come back to resemble some normalcy, Treffpunkt have been eagerly anticipating socially distanced gatherings to reunite as a group in person.

To ensure the safety of all, we have decided as a group to postpone our annual cottage weekend for another year, however are eagerly planning an alternative for this Month. Fingers crossed the weather cooperates and we will gladly share some fun photos in the upcoming newsletter.

Thank you to all who participated in our "Treff who?" 2 part photo challenge. Below you will find all the answers for your who's who in your Treffpunkt group.

As always, our group continues to reach out to the club at large and request your help with reaching our blood donation goal of 40 donations for the 2021 year. Thus far we have successfully secured 19 donations and continue to climb. Our Partners for Life number is CONC010846 or you can just say you are donating on behalf of the Concordia Club. We look forward to surpassing this goal, but cannot do it without your help. Please consider making a trip out to your closest donation centre and contributing, if you feel safe to do so.
