PRESIDENTS REPORT

As I sit and write this report the weather is just starting to change from the very cool and wet spring that we are not accustomed to, to some very anticipated dry and warmer weather.

I hope that this trend will have continued as we will have had the first cruise night scheduled for Friday, June 13/25 with Dana K and the Remedy providing the music for the evening. We are hoping that the "cruisers" and their followers will come out and support in a similar fashion to the last few years. We are going to try something new as we introduce a satellite area to get quick access to some food and refreshments. We will have the grassy area near the garage cordoned off for this express food venue.

The Father's Day event in the Schenke was filling up and we encouraged returnees as well as new customers to come and enjoy the mouth watering offerings that our kitchen staff prepared for them. Chef Jeff and the kitchen staff will once again knock it out of the park and will leave all those that attend very satisfied that they chose us as the place to honour their fathers.

The outdoor group held their annual Father's Day Picnic/BBQ at the Home on the Range. Thank you to the many fathers that gave up their day as well as the day before to prepare and cook these succulent treats.

The Club will be busy this summer with a few events.

We will have the Pig Roast on Wednesday, July 9/25 with entertainment provided by the Black Forest Band. There will also be 2 more cruise nights. The first will be on Friday, July 18/25 with Four Guys Total providing the entertainment and the second on Friday, August 22/25. Double Impact will be the band providing the good vibes that evening.

The Farm will also have many of the events return from last year. The biggest event that the Farm has during the summer months is Canada Day. This will take place on Saturday, June 28/25. There will be some fun and games in the afternoon as well as the kitchen being open for you to purchase food. The evening will include some singing and dancing with Shred Penner providing the entertainment. The evening will culminate with the spectacular fireworks display put on by the campers group. We invite all members and their families to come and join us for this day. There will also be a fishing derby on August 2/25, please see the campers and farm reports in this bulletin for more information on times and dates of events that will happen at the Farm.

Just a quick reminder that we will be closed on all of the Saturdays that are part of the long weekends for the summer. We will be closed on Saturday, June 28, August 2 and August 30/25.

The plans are well underway for Oktoberfest and we will need to have staff to be able to serve our guests. If you are a former employee of Concordia Club Oktoberfest or looking to become a temporary employee please stop by the Club and fill out an application as soon as possible. There are employment applications on the Schenke desk and you can help yourself to one of these. You can also apply on line. We will be starting the hiring process sooner this year and we want to ensure proper training is completed so that we can provide the best service to our customers.

The semi-annual meeting will be held on Wednesday, August 20/25 at the Concordia Club in the main hall starting at 7:30 p.m. This meeting is not usually as well attended as the annual meeting but we hope this year we will see some new faces. Remember that this is your time to help guide our Club into the future as well as get an update of where we are and where we need to go to maintain our status as the most vibrant German club in KW.

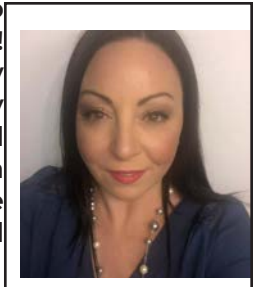

May your summer this year be filled with time with your families making memories to last forever. Janice and I look forward to talking and spending time with you at the events throughout the summer. Until we meet again.

Your president,
Rob Kerr

TREFFPUNKT

Summer is upon us, and we hope that whatever you are up to, you find yourself in the sunshine and bliss of your happy place! You may have caught them already, but with a solar maximum this year, this summer will also bring us a look at Aurora Borealis and of course we can start stargazing for the Perseids starting July 17 (peak night is August 12)!

The Treffpunkt group had our May monthly meeting and since it was the day after McHappy Day, our Big Klink Twoonie Toss proceeds were donated to Ronald McDonald House Charities. We followed that with a fun scavenger hunt through the Schenke and outside on the grounds to see what we could find! Now, we are ready for summer and ready to rock with a crew out to party at the first Cruise Night of the year on Friday, June 13 to watch our very own group president, Dana K, with DKR! And on July 8, we are excited to be heading to visit our honorary and oh so amazing equine Treff members: Blue, Duke, Carmen, Kingston,

Aurora and this year's members: Tequila and Carling! More pictures to follow in the next issue!

Our annual Partners for Life Blood Donation drive has 33 donations towards our target of 75 this year. We are 44% of the way there and a little behind our target, but we know we can do it! Thanks to all who have donated. If you are able to donate, please consider doing so and please spread the word. Our number is CONC010846.

We meet the second Friday of every month and usually have dinner together in the Schenke before our 7:30 p.m. meeting. If you'd like to join us, please reach out to one of our members for more information. Until we meet again, stay awesome!

Summertime!

We have had a few new members start to regularly attend practice. They have been working on the basics and soaking up as much knowledge as they can from all our amazing veteran performers. Our group is starting to grow in numbers and we're very excited!

Our group has been asked to perform at two events this summer. First, we'll be performing at the Cambridge Multicultural Festival on July 26th. On Aug. 2nd, we have an event in Dashwood called Friedsburg Days. We're excited to showcase our traditional dances at these new events and share our heritage.

At this point of the year, some of us are taking some time with our families to enjoy some well deserved vacation time. We will still be practicing every Wednesday night, upstairs in the Hall, from 7-9pm. You can also catch a bunch of us supporting the club at various events such as Cruise Night, The Pig Roast, Canada Day, and other fun events!

Our summer will be busy behind the scenes as things are firming up and being planned for our upcoming Oktoberfest season. We look forward to sharing all our new things with you and our fellow club members in the near future!

See you on the Patio at the at the Club,
An Enzian Performer

As I am writing this, the sun is shining, the garden is full of blooms, and it looks and feels as if summer is close at hand. By the time you read this, summer should be in full swing. Which means we will be having our picnic at the residence of Ingrid Fischer. A great big thank you in advance, Ingrid for hosting our group once again and to you Manfred for firing up the grill for our evening meal. A more detailed report will be in the September newsletter.

Our group will be having a break for the months of July and August. We will meet back again, same place, same time on September 10th.

The July birthday girl is Ingrid Fischer on July 17. Happy Birthday Ingrid for a great day and a wonderful year.

Food for thought:

You may think that you are completely insignificant in this world. But someone drinks coffee from the favorite cup you gave them. Someone heard a song on the radio that reminded them of you. Someone read a book that you recommended and plunged headlong into it. Someone smiled after a hard days work because they remembered a joke you told them today. Someone loves themselves a little more because you gave them a compliment. Never think that you have no influence whatsoever. Your trace, which you leave behind, with every good deed, cannot be erased.

CONCORDIA BOWLERS

Happy Summer, Everyone!

On May 31st, a group of bowlers and some guests had an enjoyable day in Toronto. The wind was a bit cool, but that didn't stop us from having fun at Casa Loma, Little Canada and on our Harbour cruise. Additionally, the lunch at the Hot House was delicious.

We finished the season with our Closing Picnic at the Home on the Range (Concordia Farm) on Saturday June 28th. Our Season Champs, Play Off Champs and individual award winners were announced on that day. As I write this bulletin, our event has not yet taken place. Therefore, results will be published in the September report.

We begin bowling again on TUESDAY September 2nd. New bowlers are always welcome! If you are interested in joining or perhaps returning to our league in the fall, please reach out as soon as possible. Teams are put together in early August. We bowl every Tuesday at 6:30p.m. at Victoria Bowl.

Best wishes go out to our group members who are celebrating a birthday during the summer months.

Happy Birthday!

CONCORDIA CHOIR

Happy Summer Concordia Family!

The Choirs are officially on their summer break, so this report will be short.

By the time you are reading this, our annual choir picnic has already happened. Sausage, Leberkase, sauerkraut and more were enjoyed, along with some singing and live music at the Home on the Range. We are always so thankful for time shared together and we were thrilled to have this event return after a few years hiatus.

Planning is underway for Oktoberfest, which will be here before we know it. Both booths will be up and running once again.

We've also started rehearsing our Christmas program in anticipation of another wonderful concert in December. I won't remind you how many days of shopping you have left until Christmas, but I will tell you to leave December 7th free on your calendar, to come and get into the festive spirit with the Concordia Choirs.

In the meantime, enjoy the sun, the longer days, the green grass and blooming gardens, and we'll catch up again in the fall!

One last thought, please join us in wishing our July and August born singers a happy birthday;

August – Christine McEwan, Martin Anderle, Frank Kauck, Karl Rover, Fred Trautrim

Madison Gutzke
2025

Hi, I'm Madison Gutzke

I have been bestowed the honour of being
Miss Concordia 2025.

I am a student at the University of Waterloo in the program Honours Arts and Business, majoring in Legal Studies. I have been a member since 2010 with my family Cheryl Anne West (mother) and Amanda Gutzke (Sister). My earliest memories with Concordia Club is performing O Canada on a hockey rink with the children's choir.

At present, I am involved with Treffpunkt group. My hobbies include lifesaving sport, swimming, golf and singing. I hope to bring my outgoing and friendly personality to the club as Miss Concordia.

I'm very excited for this year and can't wait to meet the members at various events. If you see me, please Introduce yourself. I am excited to meet everyone.

Since I was crowned I have had the opportunity to participate in Easter at the club, the 1st Car Show of the year, Father's Day at the Farm and represented the club at the crowning of Miss Hubertus where I met the Miss' of the other German Clubs. Im looking forward to attending so many more events during my reign.

2025 MID-YEAR REPORTS

PRESIDENT'S MID-YEAR REPORT

The Club started 2025 with some very slow sales for the first few weeks but once we got the ball rolling, we kept gaining momentum. We have continued to grow our membership and business as the year has progressed.

The first event for 2025 was Kameradschaftsabend that was hosted by the Transylvania Club at the Alpine Club. Our hosts provided a tasty meal, some great entertainment and a night of camaraderie. We were also able to share a night of dancing and conversing with our fellow German club members.

The board then met to set the budget for this year. To make sure that we had the proper information to do this, we needed to look at all aspects. We looked at the facility, the farm, our rental properties as well as conversing with our groups. Taking all factors into consideration we set a very realistic budget. We have kept the spending to a minimum for this year again as we are in a very tight financial position due to our large capital expenditures over the last 2 years. We will embark on some projects to help the daily function of the Club as well as some areas that will enhance the appearance of the Concordia Club.

The next event was the Annual General Meeting at the end of February. As I have stated in prior bulletin reports, I am a little bit disappointed in the lack of members that are attending these events. We had less than 100 members show up from a base of nearly 800. Please plan on attending the membership meetings as this is your time to find out what is going on at your Club as well as a time for offering your suggestions or opinions. We said good-bye to Rob Krauskopf, a long-time board member and all-around handy man. In saying goodbye to one board member we needed to welcome another, and this person was Heiko Walder.

The President's Ball was a night for us to dress up in our Sunday bests and celebrate the board. The Starry night theme was a testament to our Club and the membership who remain constant as well as the everlasting friendships that many club members make during their time here. The kitchen staff once again offered their mouthwatering cuisine for all to enjoy and they did not disappoint. The rest of the evening was spent enjoying some good conversation, drink and dancing the night away.

At the beginning of April, we were able to resurrect Bockbierfest, after a 5 year hiatus. On this night we said good bye to Stephanie Richtaritsch who represented the Club for the past 2 years with grace and professionalism. We then crowned Madison Gutzke, a member of the Treffpunkt, as Miss Concordia 2025. Janice and I look forward to attending many events

with Madison over the next year.

The Good Friday curbside pickup fish fry was once again a smashing success as we kept the extended time frame and we sold just shy of 1200 pieces of fish along with a few other dishes.

This was followed by the Easter and Mother's Day buffets. Both time slots for these events were sell outs and the food was outstanding once again.

Club clean-up was the most well attended (yes, the attendance was higher than 2024) and the eager group of volunteers were able to accomplish much more than we expected, as we were almost able to make it all the way around the Club (we will get there next year, I know that I said this last year). Farm clean-up also had an outstanding turnout (over 60 attendees) and this allowed us to use a little elbow grease and polish our diamond in the rough to give it a little more gleam.

The choir entertained a full hall of guests with their spring concert followed by a reception and a new spring concert menu. This afternoon featured our mixed and male choirs as well as the children's choir who always entertain us in more ways than one. We also had a special piano performance by Evan. Claudia Brown accompanied the choir on her violin for the song Freude.

We have had 1 cruise night in which we invited the community to come and enjoy some great food coupled with looking at some very beautiful cars. We will also have 2 more cruise nights. There will also be the annual pig roast in July.

The Farm has been very busy again this summer even though we have had more than our fair share of rain. We have had some baseball teams use the Farm as a camp ground as they attended local tournaments. We are hoping that the events will be well attended and it is heartwarming to see so many children enjoying what the Farm has to offer.

As you will see the tent going up in August, this means that Oktoberfest is just around the corner and our time to showcase what the Concordia Club has to offer. This is our major event for the year and we ask that you all help in whatever way you can.

The Club is trying to book more events for the remainder of the year which will help us reach our financial goals. Kim, Martina and all the staff have done an excellent job of promoting our facility to all of our guests or potential guests.

I want to thank all of you for your support of the board of directors as well as the Club.

Your President,
Rob Kerr

MANAGER'S MID-YEAR REPORT

The outlook for 2025 is currently positive, and if current trends continue, we are on track to exceed last year's net income. Of course, this will depend on the overall economic climate, which remains uncertain.

Modest increases to our menu prices have helped offset rising food and beverage costs, and we continue to monitor this situation closely. Minimum wage is set to increase by an additional 2% on October 1, following a 4% increase earlier in 2024. This will have a direct impact on our overall wage expenses, including those associated with Oktoberfest. As a result, further price adjustments may be necessary.

While the septic system project has been completed, we now turn our attention to other important infrastructure repairs and maintenance that need to be addressed in the coming months. On the list of repairs is the kitchen floor and steam table. We are also looking at replacing the exterior doors of the building.

Our wedding bookings are down from previous years, but we have managed to book quite a few other events. We have already secured some bookings for 2026 and 2027. Company Christmas parties are making a trend again. We have almost all Friday and Saturdays booked in the Hall. Also, many bookings for the Schenke, have been secured as well!

We welcome back all our regular Oktoberfest bookings throughout our tent and building. This year with the increased interest in our Bus Tours, we have added another day. We will now offer Bus Tours on Tuesday, Wednesday and Friday, all of which have already been filled. We will be renting out the tent out for Ginger Goat Fest, again this year. This event will take place on Saturday Oct 4th.

I am excited about our upcoming patio season, and hope the weather cooperates. I hope I will get a chance to see many of you throughout the Summer!

Sincerely,

Kim Veevers
General Manager

FARM MID-YEAR REPORT

Our overnight camping season started on May 1, 2025, and we quickly had a whole group of new Campers sign up to join us! As of drafting this report we have approved 15 new camping families out there already this year. We did lose a few folks for assorted reasons but overall, we have a great new energy in the park with more trailers coming in and people are cleaning up and building on their sites.

We have enjoyed several Baseball teams staying with us various weekends while attending local tournaments (which brings in much needed revenue) Our Farm Cleanup on Sunday June 1st was well attended with over 60 members and Campers coming out to help clean the communal areas and vacant sites. We have had some immense help with the Pool – one of our campers sprayed the pool paint this year which saved a lot of time and material versus rolling it. Our Maintenance Crew (Reiner Schulz and Tim Grumme) Farm Committee (Larry Peterson, Heiko Walder and I) plus the Campers and Outdoor Group Committees and countless volunteers have been working diligently doing the needed tasks that keep the Farm running smooth & looking good.

We have had many private and Group events so far and we are currently gearing up for the Splash Jam Fundraising concert at the Home on the Range to raise money for converting the long defunct 'kiddie pool' into a Splash Pad for the kids to enjoy down the road. Happy to see so many kids (and adults) playing at the Farm, so please visit us soon!
