Bericht des Präsidenten

We have turned the corner and are starting to see winter transform into spring and the club will awaken from the hibernation that it enjoyed. We have turned the clocks ahead and are now enjoying daylight savings time which starts to rejuvenate us as we get to enjoy more sunlight and progressively better weather.

A heartfelt thank you goes out to all the membership for electing me to a seventh term to serve as your president. Janice and I appreciate the support that you show us and this reinforces our passion to represent such a great group of people. I promise that the

board of directors and myself will make all decisions with the best interest of the club in mind and that everything will be done in a transparent nature so that the members can see our progression at any stage of the year.

I must also thank the board of directors and their significant others for all the time and efforts that they put forth for the club and the membership. Your dedication to the membership and the needs of the club are greatly appreciated. A thank you is also needed for the families of these board members who have lent us their loved ones to guide this club into the future. I would like to welcome the 2 newest members to the board, Monica Gaertner and Kathryn Malcolm. Moni has been involved with the choir, Treffpunkt and most recently as the historian of the club. Kathryn's involvement prior to the board includes dancing with the Enzian as well as

representing us as Miss Concordia. I look forward to working with both of these ladies and tapping into their knowledge for some new ideas. We will continue to push for the growth of our membership as well as growing the knowledge of the general public to continue the year over year increases in diners in not only our restaurant but also the banquet hall.

Thank you to Shawn, Ruth and Jeff for their continued focus on the day to day operation of the Concordia club. The continued growth of our business would also not be possible without the support of all the staff (whether they are in the foreground or background). Thank you for helping us exceed our customers expectations and keep them returning to our facility.

We have started the yearly upgrades of the club with an installation of handrails to the stairways that lead from the Schenke up to

the main foyer as well as from the main foyer up to the main hall. This was a necessity as the membership and the general public are aging and we know that we must make accessibility for everyone a focus for us as a club. The next step will be to look at the options for an elevator or lift that will allow our guests the ability to move from the lower level of the club up to the main hall in a dignified fashion. We will keep you posted on our findings and next steps. Due to the uncertain nature of the economy and the current health concerns we will not embark on too many projects this year so that we can stay within our budgeted finances.

In order for us to make sure that our patrons can enjoy our beautiful club and farm I challenge all of our members to participate in the clean up of both of our properties. This allows us to get a great head start on both properties so that the regular maintenance

The noon sessions for both the Easter and Mother's Day buffets are sold out and the evening sessions for both days are filling up. If you are looking to reserve your spot please do so as soon as possible so as not to be disappointed.

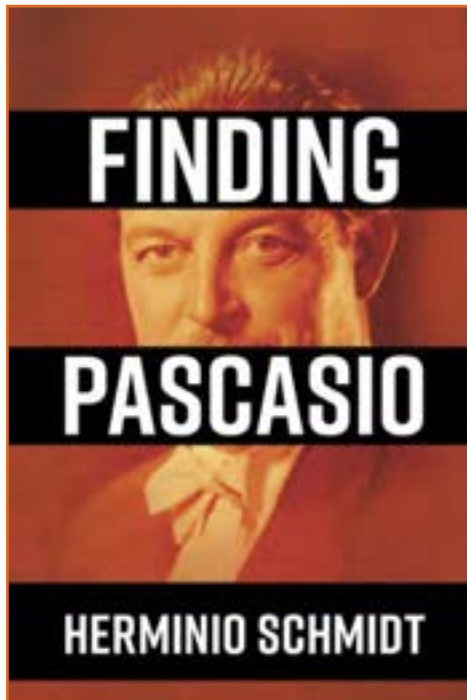

We have many events planned for this coming spring and summer and here are a few that I hope we will all support:

April 4th would have been Bockbierfest hosted by our Enzian Dancers. Unfortunately it had to be cancelled due to the corona virus pandemic.

The following week we are into the celebration of Easter. The club will be closed on Good Friday the 10th but will be back open for business on the weekend with our Easter Brunch on Sunday the 12th. Our 12pm seating is full, but we still have room for the 5pm seating. Price of the brunch is \$26.50 per person.

Our good friend Neil from Trachten-Quelle will be here in the Weinstube on Saturday the 25th with his fine selection of Bavarian garments and accessories. If you feel like you need to freshen up or add to your collection, make time to come and see him.

At the end of the month it is time for the Farm to get some TLC. There will be a clean up on the 26th. If you have a site out at the farm make sure you mark in on your calen-

dars, or if you just want to go out a give a hand I'm sure it will be much appreciated.

May 3rd we would also have our Concordia Club Choir's Spring Concert; Music Speaks. This event had to be cancelled due to the corona virus outbreak.

Mother's Day is one of the most important dates in the calendar year! Make sure you book your table here at the Club and show Mom a great day. The price per person is \$26.50, children 4-12yrs are half price and under 4yrs are free. We love these events because we get to see everyone and their families together, so let's fill the club with love for Mom.

Treffpunkt

Since the New Year, Treffpunkt have welcomed 6 new members to our group. We are very fortunate to have had Michelle and Steve Zimmer, Carry and Rob Krauskopf as well as Steve Fortney and Lisa Deguire join Treff.

As a group, our members have been out an about enjoying a great evening filled with good food and entertainment while at Kameradschaftsabend at Hubertushaus.

We also had a huge group out to Chicopee Tube Park where we literally went flying through the night sky for an evening of fun and laughter while we had loads of fun. A special thanks to Michelle for taking photos and video of it all.

A few members of our group also joined in on the 'FUN FUN FUN' with the Narrenzunft group to Cincinnati for their Germania Society of Cincinnati Maskenball on February 1st, where they enjoyed the Cincinnati Group's hospitality with an "Under the Sea" themed evening. What an amazing event and hospitality, provided by our friends in Cincinatti, which we were fortunate to welcome them to our Maskenball as the Treffpunkt group arrived in a group costume of "The Cat in the Hat". President Dana Komer and Fred Trautrim serenaded the crowd in a tribute to our friends from the South, with a rendition of WKRP in Cincinatti.

On March 5th, a handful of our members tossed some balls as the Concordia Treffpins in support of the Big Brothers, Big Sisters of Waterloo Region in their annual Bowl for Kids' Sake. Raising a whopping, \$1035, the group enjoyed a night out at Boston Pizza's Kingpin Bowlounge while supporting such a great cause.

On March 6th some of our members channelled their inner Bob Ross while dabbing their brushes in Titanium Whites, Dark Sienna and Sap Green colours while

embarking on “Paint Night” hosted at the club. All members enjoyed several laughs with friends, and great food served from the Shenke while creating beautiful owl creations. As Bob Ross would say, “All you need to paint is a few tools, a little instruction, and a vision in your mind.”

And lastly, as always, we continue to work towards our goal of 40 blood donations through our “Partners for Life” collaboration with Canadian Blood Services. Please consider donating blood if you are able; our partners for life number is CONCO10846 or you just need to say that you are donating for the Concordia Club. Thus far, we have secured 7 donations and look forward to surpassing our goal; we know we can do it, and we’d love for you to join us.

KG Narrenzunft Concordia

Happy Easter Concordia family and friends!

53rd Season's Maskenball and Closing February 22nd. Alles Unter Einem Hut/Everything Under One Hat

The Narrenzunft Concordia group saw many new faces plus a lot of amazing costumes this season. All of these wonderful people filled the hall for our most attended Maskenball ever! Heinz Lindlau and the Variation Band once again helped the Karnevalists clap, sway (schunkeln) and dance along to Karneval music plus more.

We truly appreciate their knowledge of Karneval music.

M.C. Fred Trautrim kept the busy program flowing along with the guidance of Jürgen Budczinski. We had many showdance performances from both our Kinder, Junior and Senior Garde plus Sarnia's Showstoppers and Cincinnati's Senior Garde. All dancers kept the audience entertained with their enthusiastic numbers.

Thank you 1 K.G. Narrenzunft Concordia's teacher's for your dedication this season: Kinder Garde - Sara Bews & Hayleigh McDonald, Junior Garde - Hannah Turner & Christine Zorn, and finally Elaine Keller-Griffin who guides the Senior Garde. The teachers and Seniors dedicate their time in their busy lives to do what they love to do!

The Kinder and Junior Garde parents are to be commended for the encouragement and weekly drive to the club.

All of the girls had the privilege to perform both their Garde and Show dances at the President's Ball March 14th and made the group so proud! They truly deserve a break until next season. Prinz Peter 1st and I truly cherish the dedication these past 3 seasons of our Hofstaat Hannah and Jesse Turner! ♥

The entire Narrenzunft Group members deserve a round of applause for all of their individual contributions this season.

Last we thank the support of the Concordia Club members and the Concordia Club Board Members.

Our Hoppeditz has once again been laid to rest until November. Thank you Brandon!!!

We look forward to summer events and our 54th Season Opening November 14th 2020!

Keep the date open!!!

HISTORY OF THE NARREZZUNFT CONCORDIA MARDI GRAS DANCERS

The carnival season in Germany (also called the "Fifth Season") officially begins on

November 11th, at 11:11 a.m. In this magic hour, the elferrat (Council of Eleven) comes together to plan the events for the upcoming festivities. The official hats of the councils' members, fool's caps with little bells, set the standard for events that follow.

The actual celebration of German carnival kicks off 40 days before Easter. This is the last big party before Ash Wednesday and the beginning of Lent filled with parties and tons of entertainment.

Our own Narrenzunft Concordia Mardi Gras dance group began over 50 years ago!

The dancers would compete against other Mardi-Gras dance groups from Hamilton, Sarnia, Oshawa, Brantford and other loca-

tions across Ontario. Concordia was known to host the competition for the Kinder and Junior dancers here at the Club from time to time. While the senior dancers would travel for a weekend away and compete in Hamilton, ON.

The Mardi-Gras dancers are proud of the many medals and trophies they won over the years. Unfortunately, the competitions ended around 2005 due to dwindling numbers. Concordia Narrenzunft Group continued tradition and looked for alternative locations to spread their energetic performance cheer.

Traditional carnival Mardi Gras dancing is very much like a marching core style with the grace and poise of chorus line kicks. The girls have a chance to let loose and perform show dances as well, choreographed to more mainstream popular music, helping to keep the girls interested and excited to dance. Elaine Keller-Griffin has been teaching the girls for the last 20 years. She is Director of all three groups (also known as the Garde Minister).

Dancers are divided into 3 groups based on their ages including a Kinder Group (6-10 years old), Junior Group (11-15 years old), and a Senior Group (16 years and older).

By 2014, the dance group's numbers dwindled leaving them with only 4 Garde girls. There were concerns the group may have to shut down. Elaine was determined to try and increase the membership so promotional flyers were posted during Family Day Oktoberfest celebrations to encourage more girls to join. To her delight, the interest was well received bringing new girls to all 3 dance groups! Currently there are 31 dancers performing with the group now! What a turnaround!

Elaine delegated teaching roles and administrative responsibilities to long time senior dancers. Sara Bews and Hayleigh MacDonald choreograph and teach the Kinder Garde girls. While Hannah Turner and Christine Zorn choreograph and teach the Junior Garde girls.

These teachers are a great addition to the team since they have been dancing with the group themselves since they were young.

The Garde girls usually travel with the Prince and Princess of the Mardi Gras group as it's a true honour to perform for Royalty. The girls usually receive ordens or pins as a thank you for their outstanding performances.

The girls are busy throughout the season performing at the group's opening and closing ceremonies. You'll see them at Oktoberfest marching in the parade, and of course kicking their highest under the big festival tent. They have performed at Stiftungsfest, President's Ball, and Bockbierfest. The senior squad travels every January to Kentucky, Ohio to perform. This weekend is always such a great bonding experience for the girls allowing them to push their performances to stronger and more entertaining levels.

The group is always looking for new members to join. They practice once a week on Tuesday nights upstairs in the Main Hall of the Concordia Club. The kinder and juniors practice from 5:30pm-7:00pm while the seniors practice from 7:00pm-8:30pm.

If you know of any young ladies who might be interested in joining one of the dance groups please contact Elaine at 519-496-1141.

Concordia Choirs

Due to the Coronavirus (COVID-19) all functions that we'd planned to attend have been canceled, including President's Ball, Transylvania Choir Afternoon, Spring Concert, Choir Picnic and Choir Trip (Ottawa, Montreal, Quebec City).

We commend the Concordia Club for its decisions and support with this matter.

We have decided to suspend all Choir Rehearsals until further notice in order to help keep our "Social Distance".

Keep yourselves informed with official media and medical recommendations. We hope to resume Choir Activities soon.

Musically yours,

Christine Schwegel

Skat Group

We welcome our newest player to the Skat group, Heinz Boehnke. He has joined us for several nights and we are hoping that he will remain a regular player. He received a warm welcome from all members.

I have been talking to many Club members, encouraging them to join our group. The ones that have never played before say they will think about it. Those that have played before say that they used to play the game, and that they love the game. Well, now is the time to start a new hobby or renew an old one.

If you are on the fence, jump over to the Skat group.

In the past I have played the card games Euchre and Wizard which are also strategy

games. I have to say that my favorite game is Skat.

The game of Skat began in the early 19th century in Thuringia. The game became a favourite with German-speaking Europe and is now one of the most popular card games in Germany. It is also considered to be Germany's national card game.

If you become really successful at playing SKAT, you can participate in tournaments throughout the world. The next world championship will be held in Edmonton, Alberta from October 6 to 14, 2020 at the Chateau Lacombe Hotel in Edmonton. It would be great to see a member from our local group participate in the World Championship one day.

Regular Tuesday night play starts at 7:30 (new members, please arrive 10-15 minutes early). Several times during the year we play tournaments. Our next two tournaments are the Tony Dissler Pokal April 7 & 12 and the Spring Pokal on May 3.

If you are interested in joining our group, please feel free to email me at nancykessler@rogers.com.

If you would like some information on the Skat game you can visit <https://www.pagat.com/schafkopf/skat.html>. (read until the title Variations)

Athletes from Kitchener's Concordia Club Capture Gold and Silver at Ice Stock World Championships

Regen, Germany – Canada's ice stock teams won gold and silver medals at the Ice Stock World Championships that wrapped up this weekend in Regen, Germany. The men's team, including Concordia members Steven Morrissey and Milutin Zaric, captured gold with a 20 win - 2 loss record in the 12 team field, going an undefeated 11-0 on the second day of competition. With the gold medal, the men are promoted to Group A at the 2022 World Championships.

The women's team, including Concordia member Kata Zaric, won silver with a 10 win - 2 loss record in their 7 team field and improved on the bronzes that they received in the last two world championships.

"This is the most successful world championships ever for Canada" said Jennifer Mayrl, President of the Canadian Ice-Stock Federation. "We are incredibly proud of our athletes and coaches. They not only showed off their abilities against a strong field but they were incredible ambassadors for our country."

Canada sent a delegation of 13 athletes and coaches to compete in team and individual competitions.

Highlights of the results:

- **Men's Team** – Gold Medal and World Champions B Group including Concordia Club members Steven Morrissey and Milutin Zaric
- **Women's Team** – Silver Medal B Group including Concordia Club member Kata Zaric
- **Women's Distance Throwing** – In this event the goal is to slide the stock as far down the ice as possible and it was a women's event for the first time ever. Jennifer Mayrl of Barrie qualified

for the finals in the 30 athlete field and finished 10th overall with a throw of 90 metres.

- **Men's Distance Throwing** – Mike Osborne finished 8th in the B Group field.
- **Men's Team Target Shooting** – Team member Paul Blais finished 5th in the world for his performance in the third element.

During Congress meetings held last week, the International Federation of Icestocksport confirmed that Canada will host the 2021 America Cup. That competition is held in the summer months with competitors from across North and South America. By changing the sliding plates on the stock, the sport is playable on asphalt, concrete or similar surfaces.

The Federation's Director of Sport, Ronny Horvath, and member of the Concordia Club, is looking forward to the opportunities that exist over the next six years. Ice stock is on the short list for inclusion in the 2026 Winter Olympics that will be held in Milan and Cortina, Italy. The Olympic decision is expected in the next two years.

President Mayrl believes that Canadian curiosity will peak with full Olympic recognition. If it occurs, Olympic qualification tournaments are expected to be held in 2025. "A major goal of our Federation is to deepen the field of international-level athletes that will compete for Canada. For the men, moving into Group A in just two years will mean having to play against countries that have tens of thousands of players to choose from. For the women, the goal is also to win B Group gold in 2022 and for that we also want to continue player development."

Anyone in the Kitchener area who is interested in playing this sport at a competitive or recreational level should contact Milutin Zaric at (519) 504-4005 or milutin@zaric.ca.

About the Canadian Ice-Stock Federation

The Canadian Ice-Stock Federation is the governing body for the sport in Canada. In Canada

there are two types of clubs. There are clubs that are a part of the Canadian Federation and hobby clubs. The Federation-recognized clubs take part in local, provincial and national tournaments. The members that are a part of these clubs have the opportunity to play for Canada in international competition.

The sport is described as a mix between bocce and curling and has been played for over 600 years. Players slide a stock along the ice and aim for a target in the house, 27 metres away. After eight turns the team with stocks closest to the target gets points. Repeat that five more times and you have played a game. Different types of plates allow the sport to be played in summer months on asphalt or concrete.

Stocksport is a highly inclusive sport that encourages camaraderie amongst people of all ages, genders, and many special needs. Because accuracy and placement are as important as speed and strength, entire families can partici-

pate and be active together – parents and grandparents do not just have to watch, they can play along.

At its most competitive, our clubs send their best men and women to the world championships every two years. In between those years, we participate in the America Cup. The sport is on the shortlist for inclusion in the 2026 Winter Olympics that will be held in Milan and Cortina, Italy.

Table Tennis Group

We had a good turnout on Thursday evening and it was fun to play with our 3 youngest players. They also enjoyed playing with our more advanced players and at the same time improved their playing skills to a level that sometimes even surprised our more skilled players.

Which is a very good thing indeed. Because in a couple of years they probably will be able to beat some of us handedly.

(Not me, of course! Because I am considered the champion)
