## Bericht des Präsidenten

Ich hoffe, alle haben die Anordnung der Regierung wahrgenommen und bleiben mit Abstand und Maske gesund!

Ich weiß, es ist schwer, dies alles zu beachten um den Coronavirus fernzuhalten. Auch ist es gut sagen zu können, daß nur wenige neue Infektionen zu

beklagen sind!

Wir haben nun "Stage 3" somit sind Restaurants offen, wenn auch mit Regeln!

Der Concordia Klub beachtet diese Regeln in der Schenke, so auch am Patio. Weiterhin haben wir "curbside pick up" und ich danke allen, die dieses Angebot annehmen, bzw. angenommen haben.

Der Vorstand, wie auch der erweiterte Vorstand

sind in Verbindung, per Computer, Telefon oder Online, um wichtige Probleme zu entscheiden. So werden auch weiterhin Sitzungen abgehalten, damit wir nicht in Gruppen sind und somit wir die Regeln einhalten können.

Die Bauarbeiten an Hoffman Street sind abgeschlossen. Der Concordia Klub hatte den Parkplatz zur Verfügung gestellt, sodaß die Arbeiter und Lieferautos Zufahrt hatten. Der Parkplatz ist neu angelegt und das Gelände in original Zustand gebracht. Danke an alle Helfer die ihre Zeit gegeben haben. Wir erhielten bewundernde Kommentare von verschiedenen Seiten, daß unser Gelände gut aussieht, auch mit Hilfe von Helmutz Interlock!

Alle Veranstaltungen auf der Farm wurden abgesagt. Steve Zimmer mit seinen Helfern haben die Farm in besten Zustand gebracht! Der Sommer war erst feucht und kühl, wechselhaft, doch dann kamen die heißen Tage und alles blüht!

Leider sind noch keine konkreten Entscheidungen gefallen für weitere Veranstaltungen, wie Oktoberfest u.s.w.! Da wir keine festen Zusagen haben, wird das Zelt für Oktoberfest nicht aufgestellt, denn dies wäre ein Risiko verbunden mit viel Geld!

Beachten Sie die Concordia Webseite, sowie auch das Nachrichtenblatt, oder rufen Sie im Klubbüro an, um weitere Informationen zu erhalten.

Winzerfest, Oktoberfest und German Pioneers Day werden sicher nicht stattfinden, soweit Informationen bis jetzt eingegangen sind!

Ontario government and staying safe, following social distancing measures and wearing the face coverings when we can not social distance properly. I know that it has been hard for us to not gather and enjoy each others company but we must do everything within our means to send the Coronavirus packing. We have done a very good job of following the suggestions of health care providers as there have been just a few cases within our Concordia Club family. Following the self isolation period all of the people affected have tested negative for the virus. Please continue to reach out to each other by phone, or social media to ensure the mental health of our fellow members is good.

We have now reached stage 3 in the re-opening of Ontario and this has allowed us to open the restaurant. We are allowed to have 50 guests in the restaurant at one time but we must follow

many rules and regulations as set out by the local health unit. We have found that even though we have done more than the suggestions that diners are still very tentative about eating within a confined space. This being said we will continue to offer the curbside pick up option as well as service on the patio for as long as the weather will allow us to. I would like to thank all of the members that have either visited the restaurant or ordered food from the club over the past months. The board and the extended board have met on Zoom regularly to discuss the affairs of the Club and what we need to do to move forward. These meetings have proven to be a welcome addition to the many platforms that we have to conduct meetings. We are ensuring that we make decisions that are financially sound and allow us to continue our longevity within this community. We will continue with the on line meeting method for the time being until we feel it is safe for us to meet as a group.

The construction on Hoffman Street is complete and the businesses on Hoffman as well as the City of Kitchener thank the Concordia Club for use of their property to have a temporary pass through for workers and delivery vehicle. The parking lot in this section has been paved and the landscape replaced to the original condition.

Thank you to all the members that have helped maintain the lawns and gardens at the club. We have had many customers comment on the beauty of our property and especially the ceremony on site garden area, which is filling in nicely and is starting to look like the original drawings as presented by Helmutz Interlock.

The farm has been very quiet this year and all of the events that would normally take place there have been cancelled. Steve Zimmer and his band of volunteers have performed magic and the campground is looking the best that it has in many years. Covid 19 has caused many problems

for the club and the way we go through life but it has been a God send for the Concordia Club farm. I look forward to seeing what can be transformed next.

The summer has been a mixed bag of weather, the start was damp and cool, followed by a period of long, dry, hot days which started to help our vegetation go dormant. The past month has seen a good balance of sun and precipitation, which has allowed the grass and plants flourish again. It will be hard for people in the region to figure out that fall is coming as for the first time in many years the Concordia Club tent will not be erected. Due to constraints that the government currently has imposed and the uncertainty of what is yet to come the board has decided it is not feasible to out lay such a large amount of money for the tent. We continue to look at many avenues as to how we can allow the community to experience Oktoberfest but at this time we have no concrete answers. Please watch the Concordia website, social media pages or call the office for updated information.

Many of events for the fall have been cancelled for this year due to Covid 19 including Winzerfest, Oktoberfest (as we know it) and German Pioneers Day. We will look at the events further on in the year and try to make decisions about these events as soon as we can so that we can keep you, the membership, informed and

involved. I miss interacting with you the membership to listen to your thoughts and opinions and hope that this is something that I will be able to do in the near future.

Please stay safe, stay healthy, stay at home when you can, wear your mask or face covering and check in on your fellow club members. Until we can meet again.

*Your president, Rob Kerr*

## Ladies Group

Well this summer has definitely been a hot one. At the time I am writing this report I can only say that it has been a long time since we have seen each other. I hope that everyone is doing fine.

At this point in time we are still waiting to see what Stage 4 will bring to us. Maybe we will be able to have a meeting then seeing as we are only a small group. Maria Grupp, our group president will let us know via email when there is any good news for us. I hope we can all see each other soon. Stay safe & healthy.

## From the Manager's Desk

I hope that you have all had an enjoyable summer. It certainly was a hot one! Thank you to all who have enjoyed our curbside pick-up! Such a wonderful response from everyone. We will continue to offer the curbside pick-up on the days we are open –

Wednesday to Friday from 11:30am to 8:00pm. With the opening of our patio on June 24th, the weather couldn't have been any better for the balance of the summer. Thank you to all the members who have come for lunch or dinner to enjoy the patio. It was so nice to see everyone back again. When we were allowed to open the Schenke restaurant for indoor dining, some guests still preferred to sit on the patio, which was wonderful to see.

We have followed all of the Provincial Government guidelines to ensure our indoor and outdoor dining guests are as safe as possible:

- our staff are wearing non-medical face masks
- regular hand washing and use of hand sanitizer

- additional sanitization of tables, chairs and menus after every use
- tablecloths are being changed after every use
- disposable bar menus
- all guests are seated at tables that are separated by 6 feet to all for social distancing

As the fall weather approaches and outside dining is no longer an option, I want to ensure everyone that we will continue to comply with all of the required additional attention to sanitization and protocols to ensure the safety of all of our guests in the Schenke.

With the uncertainty of what lies ahead for events in fall, we will continue to keep everyone informed as soon as we receive word from Public Health.

*Until next month, please stay safe and healthy!*

Ruth

## KG Narrenzunft Concordia

*Hello Concordia Club family and friends,*

We hope everyone is staying safe and healthy. Things are slowly getting back to as normal as it can be. The Narrenzunft has been through a hiatus like most other groups of the Concordia Club. During this pandemic as we approach our 54th Karneval Season we remain positive knowing that the health and safety of our Club, it's members and all of our family and friends come first. We understand that there are and will be many changes to future gatherings and events so we must continue our support.

It has been wonderful to have the Schenke open these past couple of months. We hope you are enjoying the Club food either by taking it out or eating in.

*Until next time*

## Concordia Choirs

Hope everyone has had a healthy and safe summer. Well we finally have some news to share regarding the resuming of our choir.

Following Provincial Guidelines Waterloo Region was one of the regions to move to stage three re-opening on July 17, 2020.

As part of stage three, concerts, artistic events, theatrical productions, performances and movie theaters resumed operations, including rehearsals with the following restrictions.

Performers must maintain physical distancing of 2 meters from every other person, except from other performers where necessary for the purpose of the performance.

Gathering limitations must be followed. Audience members must be able to maintain physical distance of at least 2 meters to a maximum of 50 indoors and 100 outdoors. Gathering limits apply to the entire facility regardless of the number of theaters or performance stages within the facility. Plexiglass or some impermeable barrier is required between the audience and singers, as well as players of instruments.

What does this mean for the Concordia Choirs? Well it means that we could resume rehearsals, since we certainly have the required area to social distance; however, what would we be rehearsing for?? Since a concert is certainly sometime away.

Perhaps spring 2021. Also, what is the comfort level of our members to be together again? These are things that have to be worked through. After you have had a chance to read through and digest this information, we will be forwarding a questionnaire to gauge your personal views on when and how we might resume our time together as a choir. Keeping in mind that your health and safety are our number one priority. We have looked at many options, one being resuming in sections

rather than the entire choir at once, women only, men only etc. A fall start or Jan 2021? There are masks available for singers. Should we look into purchasing them? So Many things to consider. Your input is vitally important to us so please take time to answer the questionnaire when you receive it.

Katie Braun, Monica Gaertner, Hilde Scheid, Darlene Vogt, Kate Knechtel, Horst Beyerle, Leo Tukums

Our best wishes to Kurt and Minnie Boese. We hope you will enjoy your new home.

We will be looking for someone to take over the men's uniform distribution as Adolf has given us notice that he will not be able to continue. Thank-you Adolf for the many years you were in charge of uniforms. Our men always looked great for every choir performance. Please take care of yourself, and we hope you will feel better soon.

**SPECIAL NOTE:** Thanks to Helga Springer and one of our new choir members Maxine Metzger we will be selling our Poinsettias on line this year. Look for an ad in the October Bulletin.

*Keep a song in your heart, Beverley*

### **Seniorengruppe**

Last time we met on March 4, in the Weinstube. Like all groups we also have become a victim of the lockdown and it's consequences. So far, fortunately, we have not had a victim of the virus among our membership. Of course like for everybody it is still unknown when we will be able to meet again. So there is only hope that in the not so far future the social distancing rules will come to an end.

## Campers

Good day everyone! Just wanted to touch base and say hi from the Campers Committee again and remind everyone that 2021 will be a better year!! (We hope). Although everything was cancelled for the safety of everyone, we have our minds in motion for things we can, if able and allowed, do next season!

The committee has done a couple empty site cleanup mornings. With the help of our many volunteers our farm will be in top shape for next season as we hope to welcome new campers going forward!!

We still ask, if possible, you take as much garbage/recycling home as this helps us minimize the amount of dump runs we have to do. Thank you.

If anyone has any suggestions of activities that we could do for next season please let one of the committee members know.

Once again, we thank all the volunteers that go above and beyond to help our place look great! It is truly appreciated!

## Eis Stock-Group

*Hello to all again.*

The Eisstock Group has been active again for several weeks now and are practicing every Wednesday, weather permitting.

The lanes had not been affected by winter ice and it is fun again to be using them.

Concordia Eisstock group was invited to participate in an Ontario tournament in Angus past Saturday. Four of five players were competing from 12:00 p.m. until 6:00 p.m. Everyone was very tired at the end but the chance to see old friends again was worth the pain.

Thank-you team for representing Concordia Club.
